Dear Mr. Spreng:

Enclosed please find a hard copy, as well as a copy on compact disc, of the *Final Draft Landfill Monitoring and Maintenance Plan and Post-Closure Plan* for the Rocky Flats Environmental Technology Site Present Landfill. Your agency's comments that have been received to date have been addressed in this document.

We understand, consistent with the requirements of 6 CCR 1007-3, §265.118, that a post-closure plan such as this is subject to a thirty-day public comment period that may include a public hearing. We ask that the enclosed document be used to fulfill that requirement. Our staff would be pleased to provide assistance in setting up the public comment period. Please call Mr. Robert Darr at (303) 966-4546 in this regard.

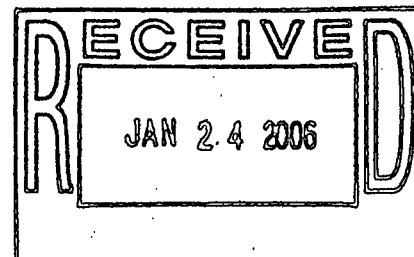

Please call me at (303) 966-6246 if you have any questions, and thank you for your assistance in this matter.

Sincerely,

John J. Rampe, Director
